

BC Hydro Forum on Vancouver Island Generation Capacity

Date: Friday, 19 December 2003

Location: The Coast Bastion Inn
Ballroom
11 Bastion Street
Nanaimo, British Columbia

Time: 8:30 am to 1:00 pm
Light refreshments to be provided.

BC Hydro invites you to attend a forum on the Call for Tenders ("CFT") for capacity and associated energy on Vancouver Island.

The forum will allow BC Hydro to explain the approach being taken to the Vancouver Island CFT and to receive your comments on how the terms of the CFT might be improved to achieve its intention of securing the least cost, dependable new generation capacity on Vancouver Island.

The agenda will include an overview of the BC Hydro approach to the CFT and the opportunity for you to pose questions to a BC Hydro panel.

Please confirm your participation by RSVP to Megan Bernecker at megan.bernecker@accenturebizservicesbc.com or by fax to (604) 623-4335 by Wednesday, 17 December 2003. For catering purposes, please indicate the number of representatives from your organization that will be attending.
